Tell us how you were able to discover geography through community exploration?

My Name is:

And this is how I am going to better my community.

Draw a portrait of yourself Tell us about yourself.	Draw a place in your favorite place in your community? Community What is your favorite place in your community?	Draw plan of action. What would you like to do to help better this place?
	What activities do you like to do at your favorite place?	How were you able to discover geography through community exploration?
